

# Gallery Posting Guide

Feb. 2021

## Welcome to the Gallery – The place to share what you’ve found, learned and accomplished!

- **Please** – *The Gallery is limited to pre-1988 GM trucks.* Other marques or years can be discussed in our Greasy Spoon forum.
- Please ask technical questions in the appropriate technical forums.
- If another user sees an opportunity to help a poster/submitter with a needed part or to relieve them of an unneeded part, use the Private Messaging feature of the forums or post in the Swap Meet.
- Please don't discuss *\*anything\** other than the subject vehicle. For example, if you have a similar truck and want to discuss, please either take it to the appropriate forum or use the PM feature.

## To add your truck to the Gallery

- Go to the Gallery Section of the Forums and select the appropriate age group of your truck
- Once in the appropriate section, click on “**New Gallery**”
- Once in the “New Thread” page, start with adding a **Title** to your post
  - *PLEASE use this format for the title of your post:*  
YYYY Make Size Type (Genre).  
*Example: 1949 Chevrolet 1-Ton Pickup (slightly modified)*
  - *There is no need to put your name/user ID in the title – it is displayed with your post anyway.*
- Next, add your “**Description.**” This is the main body of your post so please include as much information about your truck as you can. Basic info to include:

  - *Don't stop here – add anything else you can think of to help us get to know your truck better.*
  - *Please include your name, city and state*
- After the description, you can skip/ignore the **Post Options**
- Look below the **Post Options** box for the **Image Manager**
  - *You **MUST** include at least one picture of your truck 😊*
  - *Ensure your first uploaded photo is a nice, overall portrait of the truck as it will be the one displayed in the Gallery listings.*
  - *Please check out our **Image Posting instructions** if you are unsure how to attach images of your truck – Just look on any page in the Forums and you will see it listed in the left column.*
